Endorsement of the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (Charter and Code)

The Oncology Institute „Prof. Dr. Ion Chiricuța”, Cluj-Napoca, Romania - supports the initiative of the European Commission to ensure a stimulating research environment for researchers on mobility.

Having endorsed the 40 principles of Charter and Code, we notify you about our commitment to implement these principles in our institution via the Human Resources Strategy for Researchers (HRS4R).

The Oncology Institute „Prof. Dr. Ion Chiricuța”, Cluj-Napoca is one of the leading comprehensive cancer research centers in oncology at national level, with an increasing internațional outreach, member of the Organisation of European Cancer Institutes (OECI).

A continuous enhancement of working conditions and career opportunities is one of the top priorities of our institution. We therefore welcome the opportunity of internal analysis in the framework of the HRS4R and aim at embedding this process in the wide array of current activities in our institution's human resources policy.

By implementing the Charter and Code principles, The Oncology Institute „Prof. Dr. Ion Chiricuța”, Cluj-Napoca, Romania aims at attracting the most outstanding researchers within the European Research Area and beyond.

Best regards,
Ioan-Cătălin Vlad, MD.PhD.
